

The LMHA ID is a 10-digit number (e.g. LMHA0000000089). Here we use an abbreviated form, "LMHA . . 3 digits" (e.g.; LMHA . . 089), for easy viewing.

**LMHA . . 210 lower respiratory tract, starting ~36 weeks of human fetal gestation and continuing after birth with some variation in when the alveolar stage commences and when it is complete**
